

Service from the Start LITE for MOTOTRBO (Europe and Africa)

Service from the Start LITE is a unique prepaid service package that provides an extension to the warranty period along with the additional benefit of an enhanced level of service both during the warranty period and for the duration of the service contract. Purchased together with, or within 90 days of, the Motorola hardware purchase, this multi-year offer provides you with coverage for either 3 or 5 years. Service from the Start LITE comprises Hardware Repair with five day turnaround time and one way shipping. Hardware Repair is completed at a Motorola-operated or supervised facility that employs the same test equipment and original Motorola components used in the manufacture of the equipment. Products are repaired to ensure full compliance is met with the product specifications published by Motorola at the time of delivery of the original product via:

- Repairs, adjustments and restorations, if appropriate, of any covered product(s) that malfunction while being used within the operational and environmental parameters specified by Motorola.
- Product updates, if applicable, as may be defined occasionally by Motorola Engineering Change Notices.

For purposes hereof, "Customer" shall mean Motorola Solutions Distributor or Reseller who have direct purchasing agreements with Motorola and authorized to sell MOTOTRBO products and services.

Motorola Responsibilities

1. **Non Technical Telephone and E-Mail Support Coverage Hours.** Motorola will provide non technical helpdesk during standard business hours Monday to Friday 09:00hrs to 17:00hrs CET ("Support Days") Monday to Friday, excluding 25th and 26th December and 1st Jan. Motorola will provide hardware repair updates during standard business hours Monday to Friday 09:00hrs to 17:00hrs CET ("Support Days") Monday to Friday, excluding local Public holidays.
2. **Hardware Repair.** Motorola will provide repair with an in-house turnaround of five (5) business days provided the radios are delivered to the repair center by 9:00 a.m. (local repair center time). Turnaround time represents the time a product spends at Motorola in the repair process; it does not include time in transit. Turnaround times are a target and are not a guarantee. Radios received for repair in larger quantities than is deemed reasonable by Motorola may not be repaired within the five day period. Motorola may use new, refurbished and used component parts to complete a repair.
3. **Transportation.** Motorola will provide return delivery of the repaired equipment to the Customer's location and bear all costs and risks associated with this transportation, excluding any customs, duties and taxes incurred.
4. **Support for Software Releases.** Motorola may provide Patches ("bug fixes") to the current version (defined as the version shipping with the product on the date purchased by the customer) until the first production ship date of the next Maintenance Release. After this date, correction of Software errors may require installation of the new Software Release (to the extent the Customer is entitled to receive it). Motorola may, in its sole discretion, provide support for older or discontinued Software versions; special support pricing may apply.

Customer Responsibilities

1. **Serial Numbers.** When Service from the Start LITE is purchased at the time of ordering the equipment, the serial numbers will automatically be captured and included in the service agreement. When Service from the Start LITE is purchased separately from the equipment order, then Customer must provide a complete list, preferably in electronic format, or by completing a Service Order Form (SOF) of all hardware serial numbers to be covered under the service agreement.
2. **Initiating Repair.** Customer must complete a Service Request Form (SRF) for each faulty unit and label package correct with pre-paid consignment label and contact local Logistics Provider and arrange for the faulty unit to be collected and sent to Motorola for repair.
3. **Packaging.** Customer must package all items to normal commercial standards. Motorola original packaging is recommended.
4. **Transportation.** Customer should arrange delivery of the equipment to be repaired from the customer's location to Motorola repair depot and bear all costs and risks associated with this transportation.
5. **Error Reporting.** Customer must document and promptly report all detected errors to Motorola with enough detail to permit Motorola to reproduce the error. Customer must also assist Motorola with recreating and diagnosing each error.
6. **Supervision of Software.** Customer must supervise, control and manage the use of the Software. Customer must also implement procedures for protecting its personal information and backup facilities from unauthorized access in the event of errors.
7. **Systems Upgrade.** To provide Software Releases and workarounds, Motorola may require customer to upgrade hardware and/or software systems, at its own expense, to Motorola currently supported versions of system components.
8. **Compliance with Terms of Agreement.** Customer agrees to use copy or download only those Software Releases for which it has received explicit approval from Motorola to obtain from Motorola customer support website. This entitlement is granted only for the specific serial numbers of the products covered by this agreement, and does not include rights to provide copies, transfer or otherwise distribute any release of the Software to any other product or any third party. If customer is found in noncompliance with this condition, Motorola reserves the right to invoice for any support charges necessary to obtain compliance, discontinue support or take other action as it deems appropriate. Motorola reserves the right to audit customer records using an independent third-party auditor to verify compliance.

9. **Compliance with License Terms.** Customer is responsible for complying with the terms of all relevant End User License Agreements pertaining to the Software. Motorola reserves the rights to suspend its' provisioning of support or take further action if the customer is found in violation of such license agreements.

Limitations and Restrictions

1. Customer will incur additional charges at the prevailing rates for any of the following activities, which are not covered under this agreement:
 - a. Replacement of consumable parts or accessories, as defined by product, including but not limited to batteries (unless the Battery Refresh option is purchased), cables, carrying cases.
 - b. Repair of problems caused by natural or manmade disasters, including but not limited to fire, theft and floods that would cause internal and external component damage or destruction
 - c. Repair of problems caused by third parties' accessories or peripherals not approved in writing by Motorola for use with the product
 - d. Repair of problems caused by using the device outside of the product's operational and environmental specifications or repaired by a third party
 - e. Repair of problems caused by unauthorized alterations or attempted repair
 - f. Non-remedial work, including but not limited to administration and operator procedures, reprogramming, and operator or user training.
 - g. Problem determination and/or work performed to repair or resolve issues with non-covered products; for example, any hardware or software products not specifically listed on the service order form
 - h. Performance of any file backup or restoration
 - i. Completion and test of incomplete application programming or system integration if not performed by Motorola and specifically listed as covered
 - j. Use of Software Releases except as provided for under the responsibilities outlined in this document
2. Where a product is submitted to Motorola for repair that is outside the scope of Service, such repairs will require payment by the Customer and will be quoted by Motorola of additional costs in accordance with Motorola standard Time and Materials (T&M) rates and terms and conditions. Motorola will notify the customer of any incremental charges related to aforementioned exclusions, prior to completing the repair and said repair will be subject to acceptance of the quotation by the customer.
3. This service does not cover cosmetic imperfections that do not affect the functionality of the device.
4. Motorola is not obligated to provide support for any product:
 - a. That has been repaired, tampered with, altered or modified — except by Motorola authorised service personnel (including the unauthorized installation of any software) and / or the correct installation of Motorola or 3rd party option boards.
 - b. That has been subjected to unusual physical or electrical stress, abuse, or forces or exposure beyond normal use within the specified operational and environmental parameters set forth in the applicable product specification.
 - c. If customer fails to comply with the obligations contained in the product purchase agreement and/or the applicable software license agreement and/or Motorola terms and conditions of service.
